

*After completing the super yacht stewardess course you will be skilled in silver service, flower arranging, wine pairing, barista skills, table setting and all areas of interior yacht maintenance which will be applied on a Superyacht. Not only will you be proficient in what is required of you as a stewardess but you will know exactly what captains want, which type of yacht is ideal for you, and how to get where you want to go in the superyacht industry. This preparatory course is perfect to feel confident joining the Superyacht industry guided by experienced chief stewardesses.*
